

## Anoka County Flying Clubs: Topic of the Month - Single Pilot Cockpit Resource Management

Cockpit Resource Management (CRM) is a topic most pilots are aware of but few understand how to implement in daily flying. The February FAA Safety Team Topic of the Month focuses on what CRM is, what it can do for you, and some thoughts on how to apply it to you. Please note:

Facility limitations restrict attendance at this seminar to members of Anoka-based flying clubs only. Please contact Jack Shelton, FAAST representative, if you would like this seminar presented at another venue.

**Directions:** The meeting will be held at the North Star Flyers "World Headquarters" hangar on the east side. If the parking areas are snowed over, park at the street end of the hangar row.

### A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAAFTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
